

St Winifreds Care Home residents go camping in Wales

On Friday 15 October we went camping in Wales (virtually!) here at St Winifreds Care Home.

We decorated our **Home** with a huge **Welsh flag** and set up our campsite inside, complete with campfire and Welsh sheep. We even had a **cheerful Welsh daffodil** join us for the day!

Our residents enjoyed a **delicious lunch from our local fish and chip shop** and we had fun singing camp fire songs, as well as a singalong with **Sir Tom!**

Everyone enjoyed **marshmallows over our campfire** and sipped tea while reminiscing about past visits to Wales.

What happy campers!
