

## St Winifreds Care Home residents have fun with Java Jive

**On Wednesday 21 February we enjoyed our monthly visit from musical duo Rachel and Anthony, known as Java Jive.**

They performed a **lively selection of songs** for us and our residents had a fantastic singalong; they spent 45 minutes with our residents in our St Georges Unit, followed by 45 minutes in St Andrews.

**Everyone sang, clapped and banged on tambourines** in time with the music - it was brilliant to see everyone so engaged.

*Huge thanks Java Jive. We look forward to your next visit!*
