

## St Winifreds Care Home residents have fun with Java Jive

**On Wednesday 21 June we were thrilled to welcome musical duo 'Java Jive' to St Winifreds Care Home.**

Our residents joined in with their **classic songs from the 40s, 50s and 60s** including jazz hits, The Beatles and Roy Orbison.

We also had a good old **cockney singalong** together and a great time was had by all, with ice lolly refreshments to keep everyone cool.

*Thanks for a wonderful afternoon Java Jive!*
