

St Winifreds Care Home residents make special 2021 calendars

Our residents at St Winifreds Care Home enjoyed making personalised calendars for 2021 on Friday 15 January.

They chose their own **personal picture**, which meant a lot to them, to put at the top of their calendar.

Some residents made extras so they could send them to their loved ones.

Everyone thoroughly enjoyed this craft activity, which included a **sing-a-long with tea and biscuits!**
