

St Winifreds Care Home residents paint bingo egg boxes

On Thursday 3 March we got busy painting egg boxes with our residents at St Winifreds Care Home.

The different colour egg boxes will be used for games of 'Egg Box Bingo' – numbers are added to coloured ping pong balls and when the number is called, if you have this number you put the ping pong ball into the correct coloured egg carton.

We're looking forward to enjoying our handiwork after the paint dries!

Eyes down for a full egg house!

So colourful!
