

## St Winifreds Care Home residents travel to India

**On Wednesday 10 March we travelled to India on our virtual Cruise at St Winifreds Care Home.**

We decorated our **Home** with **Indian flags** and decorated our tea trolley with **pictures of India**.

We had **Captain Jack** and **Captain Lewis** taking the sail, with Indian dancing and a **themed quiz** accompanied by drinks and snacks.

Our residents also enjoyed an amazing **Indian lunch of curry and naan bread** – *delicious!*
