

St Winifreds Care Home residents visit Bonnie Scotland

On Wednesday 15 September our St Winifreds Care Home residents travelled to Bonnie Scotland from the comfort of their armchairs.

On arrival they **tasted haggis**, **sipped Irn-Bru** or a **wee tippie of whiskey** and sampled some delicious **homemade shortbread** made by Heather.

We also enjoyed a rather enthusiastic **highland fling** (the national dance of Scotland) by Tina and **tossed the caber** to win prizes.

A bonnie day indeed!
