

St Winifreds Care Home residents visit Deal Beach

On Thursday 11 May we took a lovely trip to the seaside with our St Winifreds Care Home residents.

First we enjoyed **Deal Beach Parlour's famous pink and white whippy ice cream**, which brought back memories for our ladies and gents.

We then had a **stroll along the beach** on the pebbles, which was enjoyed by everyone, under the blue skies above.

One of our residents decided to have a **walk along the seafront** with Chelsea; he walked half a mile to where he wanted to be picked up, with lots of fresh air along the way!
