

St Winifreds Care Home residents write to their Bright Sparks penpals

On Wednesday 30 September our residents at St Winifreds Care Home spent an afternoon writing letters and posting them to their penpals at our local Bright Sparks Nursery.

They had lots of fun using different **coloured pens**, **stencils** and **stickers** for their letters and enjoyed enclosing some fun **bubbles** with their messages.

We hope the children at Bright Sparks enjoy receiving them.

Posting their penpal letters
