

St Winifreds Care Home welcomes Christmas Elves

On Friday 4 December our staff at St Winifreds Care Home dressed up to celebrate Elf Day!

Our residents thoroughly enjoyed seeing everyone walking around in fancy dress – lots of Elf ears and pointy hats!

We also celebrated our **Deputy Manager Milana's birthday**. She was unaware that we knew it was her special day, so we threw her a little surprise party which our residents and staff really enjoyed.

Birthday cupcakes and a Home full of Elves – what's to love!?
