

St Winifreds Care Home welcomes new team member Toni

Fun and games

We're very pleased to welcome our new Recreation and Well-Being Champion Toni to St Winifreds Care Home.

This week, along with our student Scott, residents enjoyed some fun and games with her – **bean bag throwing** and some **velcro dice** fun were the order of the day with everyone giving it their all.

A great way to practice our aiming skills and spend the morning together.

Hairdressing

After a little break we also welcomed back our **lovely in-house hairdresser**.

Our ladies were so happy to see her and enjoyed a good chat and pamper.
