

St Winifreds Care Home welcomes the Travelling Troubadour

We were delighted to welcome Trevor the Travelling Troubadour to St Winifreds Care Home last week.

Trevor came in to **sing for us and perform on his guitar**. He has visited a few times already and is fast becoming a Home favourite, as he's very talented.

Simply singing with his guitar, he **brings back memories** with his songs and we love to sing and dance along.

A wonderful way to spend the afternoon together – *we all look forward to seeing him again soon.*
