

St Winifreds Residential Care Home turns red white and blue for VE Day

Last week our residents at St Winifreds Residential Care Home were busy preparing for VE Day – making flags, poppies and bunting.

Our new Recreation and Well-Being Co-ordinators, Storm and Charis, worked tirelessly with everyone, painting and colouring, cutting things out and preparing a programme of our own for the whole day to celebrate.

On VE Day, we were surrounded by all our wonderful red, white and blue **decorations** and our residents wore their **Union Jack hats** with pride! Jess our very talented singer performed for our residents, including many **Vera Lynn songs** which made our ladies and gents so happy.

Our Kitchen Team put on a lovely lunchtime spread, featuring a wonderful **VE Day cake**, which we all enjoyed. We also offered our residents a little tippie to celebrate the day!

A super time was had by all and we enjoyed a lovely atmosphere of togetherness at **St Winifreds**.
