

The 1920s arrive at St Winifreds Care Home

Here at St Winifreds Care Home, we enjoy a good dress up and theme day, and we try to do this at least once a month.

This month we welcomed the **glamour of the 1920s** and dressed up with beautiful feather headbands for our ladies and smart hats and bow ties for our gents. We certainly looked the part sipping our **non-alcoholic cocktails** together!

Our ladies and gents in their bedrooms really enjoyed a trip back to the 1920s too with a visit from our '**1920s trolley on the go**'.

What a fantastic journey back in time – everyone thoroughly enjoyed themselves!
