

## Tickled Pink bring Broadway to St Winifreds Care Home

On Thursday 2 May we were delighted to be joined by two performers from Tickled Pink Productions who entertained us with their 'Best of Broadway' production here at St Winifreds Care Home.

The show was packed with **wonderful music and costumes**; the ladies did some amazing dancing, leg kicks and show-stopping numbers and we were all in our element, singing along!

Our lovely **resident George** joined in and **stole the show**, which was brilliant fun.

*What a fantastic afternoon, complete with ice lolly refreshments!*
