

Tickled Pink Productions perform for St Winifreds Care Home residents

On Tuesday 3 May, we were delighted to host performers from Tickled Pink Productions who came to perform their pantomime for our residents.

The '*Wonderful West End*' was absolutely amazing, full of **fantastic songs** and **costume changes** and all our residents thoroughly enjoyed watching the performers sing and dance.

They also interacted with the audience which everybody loved. *What a wonderful afternoon!*

A wonderful afternoon of music
