

Trick or treat Halloween fun at St Winifeds Care Home

On Halloween morning at St Winifeds Care Home we had a visit from 'Lucky' the Halloween cat. Her name was chosen by our residents and she enjoyed trick or treating them!

There was nothing to fear as she **gave treats and no tricks** and our residents loved her...some just really enjoyed pulling her tail!
Ha!

During the afternoon Lucky the cat brought some fun and games to our dining area. There was plenty to enjoy including;

- Throw the rings over the witches hats
- Ghost skittles
- Balloon games
- Grab a duck to win a prize (instead of apple bobbing!)

Great fun was had by all and tea and biscuits were enjoyed all around.

Thanks for coming Lucky – see you again next Halloween!
