

## Warden House school choir performs at St Winifreds Care Home

On Wednesday 14 December, we enjoyed a wonderful afternoon of Christmas singing from our local school, Warden House, here at St Winifreds Care Home.

How lovely it was to meet all the children and listen to their **beautiful** voices.

The children enjoyed meeting our ladies and gents; they received a **gift bag** of sweets and a colouring book and pencils or fidget spinner which one child sweetly gifted to one of our residents.

*What a wonderful way to spend an afternoon – thank you to the children for coming see us!*
