

Warming up for Christmas at St Winifreds Care Home

We had a super Sunday at St Winifreds Care Home when we enjoyed our first Christmas movie – Nativity with hot chocolates, cream and marshmallows, what's not to love?!

We have started our Christmas crafts too and had fun creating **festive colour-changing light up jars** and **glitter jars**, using stickers, ribbons and a variety of eye-catching decorations.

Our residents have loved making these and are very proud of their accomplishments. *They look fantastic!*
